#RoadTripping Your West Coast Tour Plan

Cultural & Heritage Experience

Destination	Activities
Mamre Moravian Mission Station Mamre 50min from Cape Town	First founded in the 18th century as a military and cattle post, the modern settlement of Mamre Moravian Mission Station was then established by two Moravian missionaries. In 1967 the church and parsonage were declared national monuments. The church is still used for services and the restored original water mill is now a museum. Coffee shop with local eats and crafts is open.
Darling Museum Darling 15min from Mamre 60min from Cape Town	After being established years ago as the 'Butter Museum', Darling residents began donating memorabilia to what is now the Darling Museum. It showcases an interesting recreation of a bygone era with Victorian clothing, kitchen, china and household items, as well as insights into Darling's cream and butter industry and its farming history.
!Khwa ttu San Cultural & Educational Centre 022 492 2998 On R27 20min from Darling 60min from Cape Town www.khwattu.org	This resourceful facility offers a fascinating insight into the culture, heritage and modern-day life of the San, or 'Bushmen'. San guides demonstrate their hunting skills, share their ancient knowledge and unique 'clicking' language. Two Mountain Biking trails from casual leisure to experienced adrenaline junkie.
West Coast Fossil Park Langebaan 022 766 1606 35min from !Khwa ttu 1h30min from Cape Town www.fossilpark.org.za	One of the richest fossil finds ever discovered in the 1950s: around 200 different kinds of animals, some still unknown to science, have been recovered in the West Coast Fossil Park. Today, it's a National Heritage Site and is believed to contain the greatest diversity of five million year old fossils in the world.
